Dear Enrico:

I want to thank you again for providing much of the entertainment at the Third Annual BJAC Oyster Roast. Once again, all of our staff and guests commented on how much they enjoyed your performance.

I personally noticed your success during the event with the crowds of people who followed you around trying to "figure it all out". Your ability to work a crowd and entertain young and old alike made you a huge hit.

As soon as we know the date for next year's Oyster Roast, we are certain to give you a call.

Thank you again for helping to make the Oyster Roast a huge success.

Sincerely,
