

# The Cary Area Hadassah Chapter

November 25, 2009

To Whom It May Concern:

This is a letter of recommendation for Enrico Leoni. Mr. Leoni recently provided the entertainment for an evening of fun and fundraising for the Cary chapter of Hadassah. Enrico had the ability to hold our interest and make us laugh whether on an individual basis or from across the room. His illusions are amazing and his physic powers are baffling.

We called the event "Mental Magic & More" and thanks to Enrico Leoni, the evening lived up to its title. We have received only praise for his fun-filled magical performance. I would highly recommend Mr. Leoni.

Sincerely,

Jon Koret  
Hadassah Vice-president of Fundraising
